Gain a strategic, high-level understanding of Digital Operational Resilience with the DORA for Executives certification course by TRECCERT. Tailored for senior leaders, this course provides a concise yet comprehensive overview of the Digital Operational Resilience Act (DORA) — equipping executives to oversee compliance, manage digital risk, and align resilience initiatives with business strategy.

Designed for decision-makers, this programme enables you to lead confidently in an increasingly regulated digital landscape. Upon passing the exam, you'll earn the Certified DORA for Executives credential — a mark of your leadership in compliance and operational integrity.

## Learning Objectives

By the end of the course, you will be able to:

-  Understand DORA at a strategic level: Grasp the core purpose, scope, and requirements of DORA and their impact on governance.
-  Drive compliance and resilience initiatives: Learn how to integrate DORA obligations into enterprise-wide risk management and compliance programmes.
-  Lead digital risk strategy: Build organisational readiness for disruptions and regulatory inspections by aligning DORA with long-term business objectives.
