

# GDPR Foundation

 Self-study  
Online instructor-led  
Modality

 English  
Language

 2 days  
Duration

Gain a solid foundation in personal data protection with the GDPR Foundation course. In just 2 days, you'll learn the core principles of privacy, the requirements of the General Data Protection Regulation (GDPR), and the role of the Data Protection Officer within a compliance framework.

This course provides a clear and practical overview of GDPR concepts and methods, enabling you to actively participate in data protection initiatives and support the implementation of privacy programmes. Upon passing the exam, you'll earn the PECB Certified GDPR Foundation credential — proving your understanding of the essential components of GDPR compliance.

## Learning Objectives

By the end of the course, you will be able to:

-  Understand GDPR requirements and the key principles of privacy
-  Describe the responsibilities and obligations of the Data Protection Officer
-  Apply basic methods and techniques to support GDPR compliance within an organisation

## • Who Should Attend?

- 🔍 Individuals involved in personal data protection and information security
- 👤 Professionals seeking knowledge of privacy principles
- 🛡️ Anyone pursuing a career in data protection or GDPR compliance

## • What's Included?

- 📖 200+ pages of training material with examples and case-based content
- 📄 Certification and exam fees
- 🏆 Course completion attestation, granting 14 CPD credits.

## • Course Agenda

**Day 1** | Introduction to GDPR and Data Protection Principles

**Day 2** | The General Data Protection Regulation requirements and Certification Exam

## • Certification & Exam

- 🚫 **No prerequisites required**, just signing the PECB Code of Ethics
- 📄 **Exam**: 1 hour, taken on Day 2

It covers the following competency domains:

- Domain 1** | Fundamental principles and concepts of the General Data Protection Regulation (GDRP).

**Domain 2** | General Data Protection Regulation (GDPR).

✓ **Retake:** Free retake within 12 months if needed

📄 **Maintenance Fee:** First year included; fees applies from second year. Pay \$120/year or save 10% by paying three years upfront.
