Duration

Strengthen your leadership in data protection and privacy with the GDPR Professional certification. This advanced-level course offers in-depth coverage of the EU General Data Protection Regulation (GDPR) 2016/679, equipping professionals to design, implement, and manage robust data protection programmes.

Gain practical skills to define GDPR implementation strategies, mitigate privacy risks, manage data breaches, and ensure ongoing compliance. Upon passing the exam, you'll earn the Certified GDPR Professional credential — a globally recognised validation of your expertise in managing privacy and legal risk.

Learning Objectives

By the end of the course, you will be able to:

-  Understand the principles, scope, obligations, and applicability of GDPR
-  Design and implement privacy controls, risk management activities, and breach response plans
-  Conduct privacy assessments and support ongoing compliance and accountability

Who Should Attend?

-  Data Protection Officers (DPOs)
-  Privacy or Data Processing Assessment Managers
-  Information Security Risk Managers
