 2 days
Duration

Strengthen your role in AI governance and compliance with the ISO/IEC 42001 Foundation course. In just 2 days, you'll master the fundamentals of Artificial Intelligence Management Systems, covering everything from context analysis, policy development, and risk management planning to operational control, performance evaluation, internal audits, management reviews, and continual improvement.

By completing this course, you'll gain the insights and skills needed to pass the official certification exam that proves you understand how to manage AI responsibly and in line with ISO/IEC 42001 — an invaluable addition to your professional qualifications.

Learning Objectives

By the end of the course, you will be able to:

-  Explain the core concepts and principles of AI management
-  Describe the main requirements of ISO/IEC 42001
-  Identify methods, approaches and techniques for implementing, managing and improving an AIMS

• Who Should Attend?

- 🔍 Professionals looking to understand the requirements of ISO 42001
- 👤 Managers and consultants seeking to learn about artificial intelligence management
- 📅 Individuals overseeing AI-related projects
- 📋 Anyone involved in the implementation or management of AI Systems

• Course Agenda

- Day 1** | Introduction to artificial intelligence management system (AIMS) and ISO/IEC 42001
- Day 2** | Artificial intelligence management system (AIMS) and certificate exam

• What's Included?

- 📖 200+ pages of information, practical examples, exercises, and quizzes
- 📄 Exam and certification fees
- 🏆 Course completion attestation , granting 14 CPD credits.

• Certification & Exam

 **No prerequisites required, just signing the PECB Code of Ethics**

 **Exam:** 3 hours, taken on Day 5

It covers the following competency domains:

Domain 1 | Fundamental principles and concepts of an artificial intelligence management system (AIMS)

Domain 2 | Artificial intelligence management system (AIMS)

 **Retake:** Free retake within 12 months if needed

 **Maintenance Fee:** First year included; fees applies from second year. Pay \$120/year or save 10% by paying three years upfront.
